

Inclement Weather Policy

If MDDCCUA reschedules a training session because of inclement weather or other uncontrollable circumstances, MDDCCUA will make every effort to promptly notify all registrants. MDDCCUA will reschedule the training session and registrations will be transferred to the new date, after which MDDCCUA's Cancellation Policy will apply. If the training session is not re-scheduled full refunds will be provided.

If MDDCCUA does not cancel a training session during inclement conditions or other uncontrollable circumstances, it is up to the registrant or credit union manager to decide if the registrant should attend the program. In an instance where the registrant or credit union manager decides that the inclement weather impedes the registrant's safe travel, the registration fee will be refunded minus a \$50 processing fee.
